

SAFETY PAYS

Contract: 14207-3199
The information depicted on this map was derived from the results of surveys made on the date indicated and can only be considered as indicating the general condition of the water at that time. Unless otherwise noted on this map, all depths and soundings are in feet and referred to the International Great Lakes Datum 1985. Soundings are shown in feet. The chart is a plan view of the water area and does not show the bottom. Soundings are shown for depths of 1.0' or more below the contract depth. To show a depth of 1.0' or more below the contract depth, the soundings are shown in green. To show a depth of 0.1' or more above the contract depth, the soundings are shown in red. To show a depth of 1.0' or more below the contract depth, the soundings are shown in green. To show a depth of 0.1' or more above the contract depth, the soundings are shown in red. To show a depth of 1.0' or more below the contract depth, the soundings are shown in green. To show a depth of 0.1' or more above the contract depth, the soundings are shown in red.
